

## Friends of Lyndhurst Surgery Registered Charity No 1014905

Help us to help our surgery to help each other.  
Your support really does make a difference!

### AUTUMN NEWSLETTER 2024

As we move from Summer into Autumn we look forward to what we can continue do to help the surgery by raising funds and providing support, all of which helps you as patients and the staff who look after us. As well as purchasing new equipment etc we also pay for servicing of equipment as and when required.

With two new committee members having joined us we are again looking at additional ways in which we can make a difference but as always we need your support.

The last few months have been busy and we had a very successful tombola stall at the Village Summer Fete, The Vibrant Tap, which has newly opened in Lyndhurst, ran their first monthly quiz in aid of our Charity.

Our collection boxes continue to provide additional funds so if you do see one please feel free to drop in any spare change you may have.

The book case in the surgery also continues to provide funding through the generous donations of people who donate towards the books they take, and we know that people also add books to the collection that they no longer need.

We are hoping to arrange a Village Christmas Lights Trail this year, similar to the Scarecrow Trail run by our local school. If you would be interested please email us your details. We will make a decision at the end of October as to whether we will go ahead with this and hopefully also make it an annual event.

  
Friends of Lyndhurst Surgery, Charity No: 1014905

**New for 2024**

**Village Christmas Lights Trail**

**6<sup>th</sup>-15<sup>th</sup> December 2024**

**Let's light the village up, let your imagination run wild!**

**Please register by the 31<sup>st</sup> October 2024!!**

#### MAKE A DONATION

There are many ways in which you can make a donation including cheque or cash (which can be left at the surgery for our attention), by making an annual donation (contact us for details), or via Just Giving and Easy Fundraising.

 JustGiving

 easyfundraising

You can click on the QR code or copy the link to our page below into your browser. You can donate any amount from £2.00 and/or could set up a monthly donation.

With your help FOLS continue to raise funds providing and servicing vital equipment, as we traditionally have since 1994. We still have items on the list that we would like to purchase for the surgery. If you would like to make a donation by cheque or cash these can be left at the surgery. Thank you for your support.

Should you wish to learn more about FOLS please get in touch with us via email or via the surgery.
